

## EUROPEAN and WORLD CUP RAFTING SERIES, TRNAVKA

### Getting there by Car

Take the D1 highway (from Prague or from Brno) until the exit 90 (Humpolec), then follow signs to ŽELIV, road 129. In the ŽELIV city centre turn left and go straight on by main road for about 2 kilometers, cross the bridge, then you will see the hotel "Na Kocandě" at your left side and the ascending road in front of you. Still go straight on and in the first right-handed curve, yes, still straight on: -) Voila, you are there.
